The Spot.M is a compact but powerful lighting solution that can be used both indoors and outdoors. The Spot.M provides a beautiful output to illuminate any surface or target. With its unique color finish, it can blend in seamlessly with any environment. For outdoor settings, a ground spike is included for easy positioning, and the resin-filled cable entry and gland provide the ultimate protection against water damage. For smooth dimming, our range of PowerBank drivers can be used with the Spot.M.
